Subject: Tire crumb call at 8:30 am today?

Are either or both of you plnanning to be on the 8:30 am call with HQ to discuss tire crumbs? I wasn't sure if you may be involved in the Gold King response.

I think Melanie is out, so just trying to confirm R8 coverage for the call. I can participate on the call if no one else is available, however, I don't know the latest on this topic.

Thanks,

Nancy
